

Dimora San Matteo

 Scicli (Italy)

Property ID: HSH_1359-2022

Property Code **HSH_1359-2022** | **Dimora San Matteo**. We offer for sale, in the municipality of Scicli, a luxurious hotel inserted in a beautiful hill overlooking the Baroque city center and its surroundings. The main property is a noble palace of the 1700, to which surrounding dwellings were attached creating a terraced borgo on three levels. The Borgo has a total covered area of 1200mq that include twenty different typologies of accommodations and almost 1000 sqm of garden and open spaces. There are two pools, a private cinema in an intimate cave and a SPA. The whole property was recently renovated, it is enriched by baroque fine design elements and furniture and was included in the global chart for most prestigious hotels worldwide. The property is a great jewel to invest in Sicily.
